BIRDS IN THE CITY

BEFORE you participate
fill in some or all of this side

What do you think city birds eat?

What would you like to learn about city birds?

What birds have you seen outside?

First Survey

Draw birds living in your city. Write about what the birds are doing.
Now that you have participated, can you think of other foods that city birds eat?

What birds have you seen outside?

Tell us ONE NEW THING you learned about birds today.

Draw birds living in your city. Write about what the birds are doing.

AFTER you participate
fill in some or all of this side

What NEW QUESTIONS do you have about city birds?
